

# Introducing Bebe – Dom Tech's newest electronic benchtop washer

...a real space saver.

# The new Dom Tech Bebe WP5G dishwasher – superior performance in a new, even more compact design only 48 cms wide.

## Versatile

Don't like washing up by hand, but find a full size dishwasher takes too long to fill or just too large for the space available, then consider the Dom Tech Bebe WP5G. It uses as little as 8.5 litres per cycle and being only 46 cm high (microwave oven size), the Dom Tech Bebe is designed to be installed on the kitchen bench. It can be easily attached to a kitchen tap by using the tap adaptor, or even be built in and permanently connected to the plumbing.

## Delay Start Timer

The Dom Tech Bebe dishwasher has a delay start option. This means you can take advantage of cheaper electricity costs, by delaying the start of your cycle by 2, 4, 6 or 8 hours.

## Outstanding Performance

There are 4 programs to choose from—Pre-Wash, Rapid Wash, Normal Wash and Intensive Wash—and 2 temperature settings which, combined with the different wash programs, provide all the flexibility and performance you need.

## Safe Smart Design

The Bebe's space saving design features the control panel along the bottom of the machine. It is perfect for small kitchens, holiday homes, offices, caravans or even the boat.

## Features

- 4 place setting—35 pieces—maximum plate size 27 cm
- Electronic controls
- Stainless steel interior and spray arm
- Easily refillable rinse aid dispenser on door
- Residual drying
- 70° and 75° temperature options
- Safety interlock door mechanism
- Double overflow control mechanism
- Double walls prevent heat loss and minimise noise
- Delay Start Timer

*Stainless steel interior and 4 place setting (35 piece) capacity.*

*The door of the Bebe should be opened at the end of the cycle to assist drying.*

*Digital display and easy push button operation.*

## Tap Adaptor – Optional Extra

The snap-on/snap-off tap adaptor is recommended if you want a temporary connection to a kitchen tap ie mixer tap. They are \$75 and will fit most modern taps.
